EXECUTIVE SUMMARY

INTRODUCTION

1. The Guyana Police Force is a body of men and women established under the Police Act Chapter 16:01 to ensure generally that citizens keep the peace and obey the law. It is an organ of the Executive Arm of the State, meant to provide for the security of people's lives and property, while ensuring those persons in breach of the law are brought to justice.
2. During the year 2014, the Guyana Police Force maintained its focus and found solutions to many problems whilst executing its mandate with a high degree of energy, efficiency and effectiveness.

OBJECTIVES

3. Outlined in Section 3(2) of the Police Act, Chapter 16:01, are the objectives of the Force. These are: -
 - a. The prevention and detection of crime
 - b. The preservation of law and order
 - c. The preservation of the peace
 - d. The repression of internal disturbance
 - e. The protection of property
 - f. The apprehension of offenders
 - g. The due enforcement of all laws and regulations with which it is directly charged; and
 - h. It shall perform such Military Duties within Guyana as may be required of it by or under the authority of the Minister.

MISSION STATEMENT

4. The Mission of the Guyana Police Force and its Auxiliaries is to serve all citizens and communities of Guyana in a professional, pro-active and accountable manner. To achieve this we will work in partnership with communities, public agencies and private bodies to enhance and support an environment where all people are preventing crime and building a safer and secure Guyana.

AIMS

5. Our Services will be aimed at:
 - a. Respecting and recognising human rights
 - b. Working with all communities to develop policing services necessary and appropriate to those communities
 - c. Building partnerships with all sectors of Guyana Society, including Commercial and Voluntary Groups
 - d. Working to develop Community Policing Programmes in conjunction with Community Policing Groups
 - e. Improving working relationships with other agencies within the Justice Sector and other Government

Departments to improve inter-agency achievements

- f. Establishing enhanced working relationships with regional law enforcement agencies; and
- g. Building a Police Force that through the correct training, access to the right equipment and technologies and adherence to standards will better serve the people of Guyana.

TRAFFIC DEPARTMENT

INTRODUCTION

110. The Administrative Office of the Traffic Department, which is responsible for the Enforcement of Traffic Laws, Regulation of Traffic and the dissemination of Traffic Education is situated at Eve Leary, Georgetown.

111. For the General Administration of the Department, the Traffic Officer is responsible to the Commissioner and the Deputy Commissioner 'Operations'. Divisional Commanders are responsible for Traffic Education and Enforcement in their respective Divisions; they however liaise with the central body at Traffic Headquarters for general guidance.

112. Some members of the Department function as Licensing and Certifying Officers. The Department maintained its functions during year 2014, in an effort to reduce, loss of lives, injuries and damage to vehicles.

STATE OF ROAD TRAFFIC

113. The growth of vehicular traffic demands an increase in personnel deployed on all the roadways, particularly on new and improved roads where there has been a tendency among motorists to travel at excessive speeds; and in the city to deal with congestion and badly sited mini-bus and hire-car parks.

114. During the year 2014 fourteen thousand, four hundred and eighty one (14,481) new vehicles were registered, compared to fifteen thousand, six hundred and ninety-four (15,694) new vehicles registered in year 2013; a decrease of one thousand, two hundred and thirteen (1,213) vehicles or eight percent (8%) decrease.

FATAL ACCIDENTS

115. During the year 2014 there were one hundred and thirty-five (135) fatal accidents resulting in one hundred and forty-six (146) persons losing their lives, compared with one hundred and three (103) fatal accidents that resulted in one hundred and twelve (112) persons losing their lives in year 2013.

116. Sixteen (16) children lost their lives on the roadways in 2014 compared with ten (10) children losing their lives in 2013; an increase of six (6) or sixty (60%) percent increase.

CASES MADE

117. Cases made in 2014 amounted to sixty-five thousand, four hundred and seventy-five (65,475) compared with eighty four thousand, four hundred and seventy (84,470) in 2013; reflecting a decrease of eighteen thousand, nine hundred and ninety-five (18,995) cases or twenty two (22%) percent decrease.

ACCIDENTS AND CASUALTIES

118. During the year under review, pedestrians were the category of Road Users that suffered the most. Sixty (60) were killed, six hundred and twenty-nine (629) seriously injured, and six hundred and eighty seven (687) received minor injuries making total of one thousand, three hundred and seventy-six (1,376) casualties, comparing with one thousand, seven hundred and

sixty-three (1,763) in 2013. Private cars and motor cycles continue to be the vehicles involved in most of the fatal accidents.

119. The following table shows the types of vehicles, which were involved in Fatal Accidents over the past three (3) years.

NATIONAL ROAD SAFETY MONTH

126. Road Safety Month commenced on November 01, 2014 and concluded on November 30, 2014. The theme was **'Don't Drink and Drive, Stay Attentive, Drive Defensive'**. The programme commenced with a message by the Honourable Minister of Home Affairs. There were Church Services throughout the country along with various activities to mark the occasion. Activities included lectures to schools, painting and erection of Traffic Signs and visiting injured persons in hospitals.

127. The month concluded with a message from Mr. Seelall Persaud, DSM, Commissioner of Police.

DRIVING SCHOOL

128. The Police Driving School during 2014 continued to train drivers. Ranks drawn from within the Force benefited from the training.

129. During the year under review, fifty-six (56) ranks were trained in two-wheeled vehicles, twenty (20) in four-wheeled vehicles, and sixteen (16) in heavy-duty vehicles.

TRAFFIC ESCORTS

130. The primary task of this Section of the Traffic Department is to escort His Excellency the President, the Honourable Prime Minister, VIPs, Foreign Dignitaries on official visits to the country, and funeral processions for Police ranks and others.

VISUAL AIDS

131. During the year, this section continued to advise the Visual Aid Section of the Ministry of Works in painting, erecting and refurbishing of traffic signs and banners throughout the country. However, because of the technical nature of the work, the recruitment of ranks for this section has become increasingly difficult.

ISSUE OF GOODS TRANSPORTATION AND ROAD SERVICE LICENCE

132. In September 1991, the duties of issuing Road Service and Goods Transportation Licence were removed from the Ministry of Works and Communication to the Ministry of Home Affairs. During the year under review, fifty-six thousand, four hundred and sixty-nine (56,469) licences were issued, compared with forty-nine thousand, seven hundred and forty-six (49,746) licenses issued during the year 2013; an increase of six thousand seven hundred and twenty-three (6,723) licences and Police in each Division were engaged in the issuing of licences to Goods Vehicle, Hire cars and Mini-buses.

TRAFFIC EDUCATION PROGRAMME

133. The importance of Road Safety Education cannot be overemphasised, thus it was intended to create a change in the attitude of people (all categories of road users) during the year 2014. The print and electronic media were fully utilised to ensure that the message was circulated nationally and internationally.

SCHOOL SAFETY PATROLS

134. The School Safety Patrols gave valuable service to the community in which they operated.

135. The Patrols are now adapted by the Guyana National Road Safety Council that has the responsible off acquiring visual aids for the purpose.

SEMINARS FOR DRIVERS

136. During the year, seminars were held throughout the country for drivers attached to private and public corporations, with much emphasis on drivers of Public transportation, such as, hire cars and mini-buses.

LEARNER/DRIVERS' PROGRAMME

137. The Learner/Drivers' and the Distance Learner Driving Programmes continued during the year under review. In 2008, the programme was restructured to the effect that it became compulsory for candidates to write an examination after attending four (4) sessions of lectures; the examination and lectures were conducted by the Police Traffic Department. Candidates not attending four (4) lecture sessions were not allowed to write the examination, until the requirement were been met.

138. During the year 2014, a total of fifteen thousand and two hundred and sixty (15,260) packages were sold; seventeen thousand, nine hundred and fifty-three (17,953) persons wrote the examinations; fourteen thousand, three hundred and sixty-six (14,366) were successful and three thousand five hundred and eighty-seven (3,587) were unsuccessful.

TRAFFIC SIGNS AND ROAD MARKINGS

139. A total of two thousand, four hundred and thirty-four (2,434) signs and road markings were done, compared with three thousand, two hundred and thirty-one (3,231) signs and road markings done during the year 2013; a decrease of seven hundred and ninety-seven (797) signs and road markings or twenty five percent (25%) decrease.

140. The Engineering Section continued with the erecting and painting of Traffic Signs and other markings in areas where needed.

CONCLUSION

141. It is evident that speeding by motorists, inattentiveness, total disregard for traffic regulations and lack of appreciation for Road Safety were among the principal causes of the high rate of Fatal and other accidents during 2014. An important fact generally overlooked is the absence of streetlights in populated areas and which a great contributory factor to road accidents.

142. The department performed creditably despite constraints, shortage of manpower, materials and other equipment. The vigilance of Traffic personnel was sustained on our roads.

143. The efficient and performance shown by the Traffic ranks wish be maintained, to allow a free flow of traffic and a consequent reduction in the number of accidents on the roads.

CRIMINAL INVESTIGATION DEPARTMENT

ORGANISATION

144. During the year under review, Mr. Seelall Persaud DSM., Deputy Commissioner 'Law Enforcement', headed the Criminal Investigation Department but as of April 2014, with the retirement of Mr. Leroy Brumell DSM, Commissioner, Mr. Persaud ascended to the position of Commissioner of Police (ag) and was succeeded by Mr. Leslie James Senior Superintendent. Mr. James was assisted by other Senior Officers at the Criminal Investigations Department, Headquarters Eve Leary and at various levels within the rank structure of the Force in the various police divisions.

145. The units retained at the headquarters to provide support to the divisions in the prevention and detection of crimes were as follows:

- i. Criminal Records Office
- ii. Crime Laboratory
- iii. Forensic Laboratory
- iv. Narcotics Branch
- v. Fraud Squad
- vi. Major Crime Investigation Unit
- vii. Crime Intelligence Section
- viii. Interpol Section
- ix. Deportees' Section
- x. Training Unit

146. These units provided operational, technical and logistical support to the various divisions in the prevention and detection of crimes.

147. The Office of the Director of Public Prosecutions and State Counsels continued to give tangible support, inclusive of legal advice in all indictable criminal matters and in the prosecution of those cases that posed technical difficulties for the police

OPERATIONS

148. For the year 2014, the Criminal Investigations Department maintained its operational capabilities in all divisions. It was supported in its efforts by the Anti-crime Groups from the Tactical Services Unit, Divisional IMPACT Bases, and functional Community Policing Groups nationwide, local and foreign Law Enforcement Agencies as well as Social Welfare Providers.

149. Operational efforts utilized during the year included:

- a. Beat and vehicular patrols
- b. Road Blocks
- c. Criminal Investigations

- d. Search Operations
- e. Undercover Operations; and
- f. Crime Analysis

150. These efforts resulted in the Department effectively addressing the occurrence of serious crimes, identifying 'Hot Spots' as well as the prevention of organized crimes, and consequently the dismantling of several criminal groups operating in Guyana. Thus, improved the overall effectiveness of the Guyana Police Force.

151. The Operational capabilities of the Department also assisted in the prevention and detection of crimes within the various divisions. In particular, they impacted on the availability of firearms on the streets and in controlling gun crimes. During the year eighty four (84) firearms were seized by ranks.

CRIMINAL RECORDS OFFICE

152. The Criminal Records Office serves as a source of information, as it relates to the recording of convictions, statistical data and other criminal matters. It supplies information to other departments in the Force, as well as governmental organisations, University of Guyana, Interpol, other law enforcement agencies and the International Community, upon request.

CERTIFICATES OF CHARACTER

153. During the year 2014, a total of thirty four thousand, eight hundred and sixty three (34,863) persons applied for Certificates of Character generating the sum of seventeen million, four hundred and thirty one thousand, five hundred dollars (\$17,431,500.). This resulted in an increase of 15.2% or two million, two hundred and four thousand dollars (\$2,204,000) of revenue collected from sale of certificates over 2013.

CRIME RECORDING UNIT

154. The Unit was established in the year 1993 at the Criminal Investigation Department as a sub-section of the Criminal Records Office, recording crime committed in the divisions.

155. During the year under review, the unit recorded a total of one thousand one hundred and eighty two (1,182) crimes, and received one thousand, and eighteen (1,018) or 86% of 'Initial Crime Report' forms, compared with year 2013 when there were two thousand one hundred and thirty seven (2,137) crimes recorded, and the receipt of one thousand eight hundred and fifty six (1,856) or 87% of 'Initial Crime Report' forms from the various divisions. At the end of the year 2014, one hundred and sixty four (164) forms were outstanding.

BRANDS

156. During the year under review, four hundred and seventy one (471) applications for brands were received of which four hundred and thirteen (413) were issued. The remaining fifty eight (58) are pending due to non-compliance with the processing requirements. In comparison to year 2013 where five hundred and thirty five (535) applications were received, five hundred and five (505) issued and thirty (30) pending at the end of the year. In 2013 also an additional thirty (30) brands were issued from applications made in 2012.

FIREARMS SECTION

157. This section is responsible for maintaining the Firearms Register for firearm holders in the country. The ranks therein are required to make checks, submit statements and attend court in all firearm matters before the courts.

158. During the year 2014 two hundred and fifty five (255) firearm approval notices were recorded at the Criminal Records Office.

JUVENILE BRANCH

159. During the year 2014, the Juvenile Branch, the Probation and Welfare Services of the Ministry of Labour, Human Service and Social Security, and the Schools' Welfare Department of the Ministry of Education continued to work jointly on matters reported against Juveniles.

160. During the year 2014, there were eighty eight (88) reports were made against juvenile offenders as compared with one hundred and sixty (160) reports in the year 2013.

- a. Thirty two (32) were pending at stations at the end of the year. And from the remainder:
- b. Fourteen (14) juveniles were warned after intervention from the Schools' Welfare Department and the Ministry of Human Services;
- c. Forty two (42) were charged with criminal offences and consequently:
 - i. One (1) was convicted and sent to the New Opportunity Corps;
 - ii. Four (4) were placed in the care of parents/guardians with probationary supervision;
 - iii. Eight (8) bonded;
 - iv. Four (4) had their cases dismissed;
 - v. Eight (8) fined; and
 - vi. The cases for seventeen (17) were still pending in the courts at the end of the year.

DOMESTIC VIOLENCE

161. A 'Zero Tolerance Policy' on domestic violence has been implemented and the Domestic Violence Section continues to work with the Probation and Welfare Services of the Ministry of Labour, Human Services and Social Security, and non-governmental organizations on these matters.

162. In year 2014, one thousand, eight hundred and ninety four (1,894) domestic violence reports were made to the Force and from which:

- a. Five (5) persons were warned;
- b. Six hundred and sixty five (665) were pending at stations;
- c. One thousand, two hundred and twenty four (1,224) persons were charged and consequently:
 - i. Twenty four (24) were imprisoned;
 - ii. Forty three (43) were placed on a bond to keep the peace;
 - iii. Ninety eight (98) fined;
 - iv. Two hundred and fifty seven (257) referred to probation services;
 - v. Forty seven (47) matters were dismissed; and
 - vi. Seven hundred and fifty five (755) were still pending in the courts.

ROSEMARY LANE YOUTH CLUB

163. During 2014, the Guyana Police Force continued its efforts in reaching out to the children of Rosemary

Lane and other areas. On Sundays members of the Club were exposed to religious sessions and discussions on pertinent topics such as “The Rights of the Child” and “Domestic Violence and Child Abuse”.

164. Eighteen (18) children participated in the Annual Youth Camp organised by the Police Wives’ Association and sponsored by the Guyana Police Force, and held between August 10th and 17th, 2014 at Aurora Secondary School. At the Camp, the children were engaged in skills training such as craft, woodworking, etc, and were also taught life-skills.

165. Ranks of the Criminal Records Office conducted a training programme in Mathematics and English Language for some of the children at the Felix Austin Police College, Eve Leary.

166. A cultural presentation and Christmas Party were held for the children on December 7th 2014 at the Police Sports Club, Eve Leary

CRIME LABORATORY

167. The Crime Laboratory consists of the Fingerprint Branch, Scenes of Crime Unit, Photographic Branch, Ballistics Section and the Document Examination Section. There are sub-units in all Divisions. During the year under review the ranks engaged in screening of individuals, processing prisoners, examination of crime scenes for fingerprints, comparing fingerprints found at crime scenes and giving expert testimony at courts.

FINGERPRINT BRANCH

168. The major functions of the Fingerprint Branch are the examination and comparison of fingerprints found at crime scenes and for screening of individuals. The ranks at Headquarters also assisted with the visiting of crime scenes and uplifting exhibits. In accomplishing its tasks, fingerprints’ technicians are deployed in each division to support the work of the Headquarters’ staff.

169. The process of identification was complemented by the Automated Fingerprint Identification System (AFIS). During 2014 the capacity of the Fingerprint Branch was increased by the acquisition of four (4) Fingerprint Live-Scan Units and three (3) workstations. These were placed at CID Headquarters and Divisions ‘A’, ‘B’ and ‘C’ to enhance the work of the Branch.

170. During the year one thousand, nine hundred and sixty nine (1,969) crime scenes were processed by the technicians stationed at the Fingerprint Branch Headquarters (FPB HQ) and in the divisions and one thousand and thirteen (1,013) latent fingerprints were found, scanned and searched against the database. One hundred and sixty nine (169) fingerprint cases (identifications) were made; one hundred and two (102) of them electronically (with the aid of the AFIS Tracker) and the remainder (67) manually.

SCENES OF CRIME UNIT

174. The role of the ranks in this unit is to examine major/serious crime scenes for trace evidence and to present such evidence in a Court of Law. The ranks of this unit are based centrally with peripherals in the divisions.

175. During the year 2014 one thousand, nine hundred and sixty nine (1,969) major or serious crime scenes were visited and evidence was collected from one thousand and thirteen (1,013) scenes. When compared to 2013, two thousand, three hundred and five (2,305) scenes were visited and evidence collected from one thousand and forty seven (1,047) scenes.

PHOTOGRAPHIC BRANCH

176. The Photographic Branch continued to operate with the major unit centrally located at Headquarters and photographers stationed in the various divisions. The primary role of this branch is the taking of photographs of major/serious crimes and fatal accidents for evidence in a Court of Law.

BALLISTICS SECTION

177. The Ballistic Section has two (2) units, the Firearms and Ammunition Examination and the Bomb Disposal Units, which are based at the CID Headquarters.

FIREARMS AND AMMUNITION EXAMINATION UNIT

178. The core function of this unit is the examination of firearms, and firearms and ammunition components, which form the subject of an investigation. The Unit is also responsible for taking specimens of firearms that are licensed to firearms holders.

179. During the year 2014 one hundred and sixty seven (167) firearms, one thousand, one hundred and forty five (1,145) rounds of ammunition, three hundred and fifty (350) components of ammunition and ten (10) magazines were examined by the Unit.

180. Hereunder is a breakdown of the firearms, ammunition and components, and magazines that were processed for the year 2014:

SER. #	FIREARMS		COMPONENTS

SPECIMEN OF LICENSED FIREARMS

184. During the year under review seven hundred and ninety (790) specimens were taken of firearms. Details are as follows:

TYPE OF FIREARMS	# OF SPECIMEN TAKEN
Pistols	562
Revolvers	28
Shotguns	126
Rifles	74
Total	790

BOMB DISPOSAL UNIT

185. Ranks attached to this unit are trained to detect and neutralize Improvised Explosive Devices (IED) and Explosive Ordinance Devices (EOD). The unit also has a canine presence. The combined capacity invariably had an impact on the time spent to conduct searches.

186. During the year 2014, twenty eight (28) reports were received and attended to by members of the Bomb Disposal Unit; twenty (20) were related to alleged bombs planted at Government Departments and the remainder at private agencies. All the reports were deemed to be hoax.

DOCUMENTS EXAMINATION/HANDWRITING SECTION

187. Staff of this section is tasked with the responsibility to examine all questioned documents in criminal investigations and to a lesser extent questioned documents in private matters.

188. During the year 2014, a total of fifty five (55) documents were received for examination compared to fifty (50) documents received in the year 2013; an increase of five (5) documents or ten percent (10%).

188. Of the amount received the examination of forty (40) were completed with twenty nine (29) of them having matching handwritings (positive identification) and eleven (11) of them not matching (negatives). At the end of the year 2014 the remaining fifteen (15) matters were waiting on the submission of additional specimens.

FORENSIC LABORATORY

189. The Forensic Laboratory conducts analysis in areas such as drugs, serology, toxicology, counterfeit currency, gun powder residue, corrosives and accelerants.

190. During the year under review two (2) analysts were accepted in the courts and this resulted in the reduction of exhibit turnover time.

191. In 2014 also the Laboratory continued the partnership with external agencies including the Trinidad and Tobago Forensic Science Centre and the Federal Forensic Laboratory of Brazil to have DNA and other samples analyzed.

192. Exhibits submitted for the year 2014 compared with year 2013 are as follows:

NARCOTICS BRANCH

193. Guyana continued to be affected negatively by the cultivation, trafficking and consumption of cannabis and the transit, trafficking and consumption of cocaine. And during the period under review, in addition to cannabis and cocaine, there were seizures of ecstasy.

CANNABIS

194. In 2014 the major sources of cannabis seized were from cultivations mainly in the Upper Demerara River, Soesdyke Linden Highway, Upper Berbice River and the Essequibo Coast.

195. During the year 2014 the Force conducted seven (7) cannabis eradication operations, compared with 2013, when twenty four (24) cannabis eradication operations were conducted. One case was made in which two (2) persons were charged.

196. Details of the Eradication Operations conducted in 2013 and 2014 are as follows:

ERADICATION OPERATIONS	2013	2014
No of Eradication Operations	24	7
No of fields of Cannabis cultivation	45	36
Estimated total Size of field	76.25 acres	90 acres
Number of Cannabis Plants	277,144	224,500
Estimated weight of Cannabis destroyed	484,024 kg	568,050 kg

197. Although the number of eradication operations in 2014 was less than 30% of that in 2013 the estimated weight of cannabis destroyed, as a result, was eighty four thousand, and twenty six) kilograms (84,026 kg) more than that of 2013.

198. During the year, also, five hundred and six (506) cannabis seizures (herbal) were made, which yielded nine thousand, four hundred and eighty five point two eight kilograms (9,485.28kg). This along with that of eradication summed up to five hundred and seventy seven thousand, five hundred and thirty five point two eight kilograms (577,535.28kg), compared with year 2013 when there were six hundred and seventy two (672) cannabis (herbal) seizures that yielded one thousand seven hundred and seventeen kilograms, seven hundred and forty-four point seven eight grams (1,717.74kg) bringing a total, for the year 2013, of four hundred and eighty five thousand, seven hundred and forty one point seven four kilograms (485,741.74kg); representing an increase of eighteen point nine percent (18.9%) over that of 2013.

199. From the seizures four hundred and thirty eight (438) cases were made of which four hundred and seventy one (471) persons were charged, resulting in two hundred and ninety six (296) convictions and seventy nine (79) dismissals by the end of the year.

COCAINE

200. Cocaine continues to enter Guyana at its borders from Venezuela, Brazil and Suriname. Most of the Cocaine is trans-shipped to North America and Europe with Caribbean countries used as conduits. The remaining is converted into crack and utilized locally.

201. During the year 2014 there were thirty nine (39) seizures of crystal cocaine, yielding a total of one hundred and fifty one point four six kilograms (151.46kg), and one hundred and seventeen (117) seizures of crack cocaine that yielded one point eight one kilogram (1.81kg), totaling one hundred and fifty three point two seven kilograms (153.27kg).

202. During the year one hundred and twenty (120) cocaine cases were made of which one hundred and thirty three (133) persons were charged, with forty eight (48) being convicted and eighteen (18) cases dismissed. The comparative figures were one hundred and forty seven (147) cases made with one hundred sixty one (161) persons charged of which sixty five (65) were convicted and ten (10) cases dismissed in 2013.

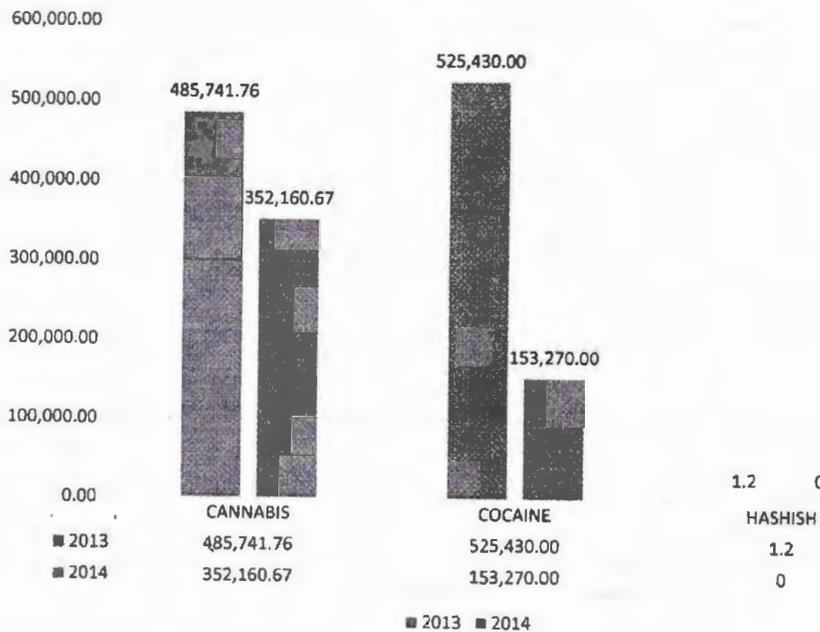

Ecstasy

203. During the year 2014 one (1) ecstasy seizure was made that yielded a total of twenty two (22) grams and resulted in three (3) persons being charged. At the end of the year, the case was still pending in court.

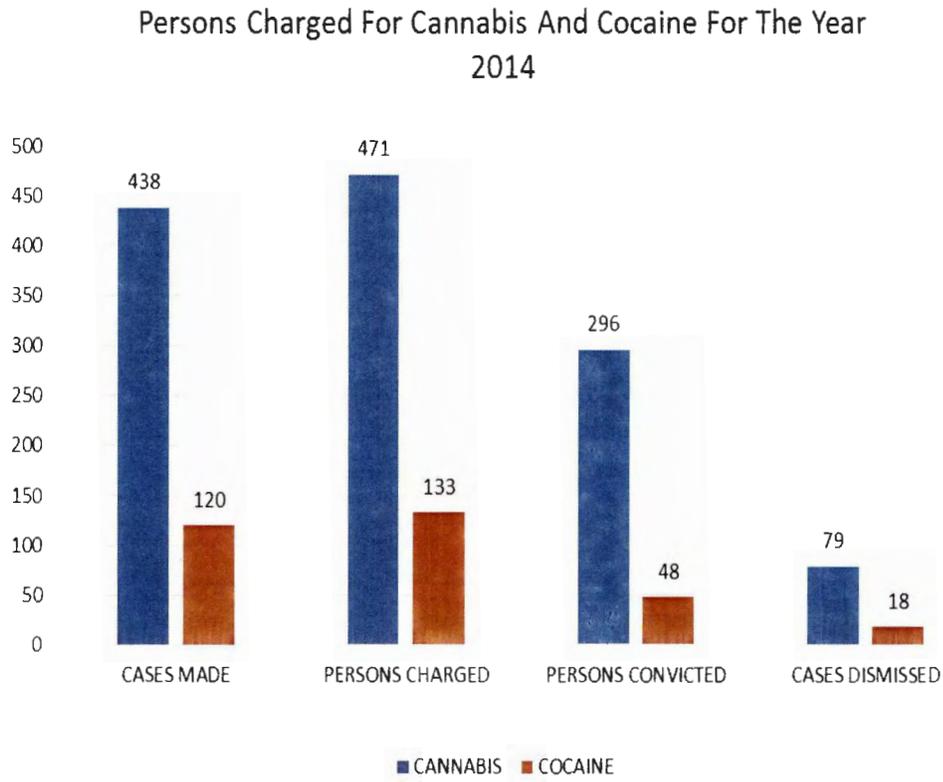

204. Table showing the seizures and cases made for narcotics for the year 2014:

MAJOR CRIME INVESTIGATION UNIT

210. During the year 2014, the Major Crime Investigation Unit continued its operation focusing on criminal charges, firearm related offences and deterring actions aimed at increasing crimes.

211. The Major Crimes and Firearm Investigation units through their ongoing collaboration were responsible for one hundred and six (106) cases, including robbery under arms, unlawful possession of firearms and ammunition and murder, being solved and persons placed before the courts. In addition, they investigated several complaints, conducted various types of sting operations and executed several raids.

212. The capacity of the units continues to be increased by ranks participating in a number of training courses locally and internationally.

TAFFICKING IN PERSONS

213. This unit was placed under the command of the Major Crimes Unit. It continues to work in collaboration with the Ministry of Human Services and Social Security and Ministry of Home Affairs and is also a part of the Task Force comprising other governmental and non-governmental agencies which meet monthly to monitor the national programme in combating the fight against trafficking in persons.

214. During the year 2014, eighteen (18) cases of "Trafficking in Persons" were reported. These involved a total of forty (40) victims: thirty five (35) females of whom eleven (11) were below eighteen (18) years, and five (5) males who were also below the age of eighteen (18) years.

215. The cases of both labor and sexual exploitation were investigated and advice sought on nine (9) cases. Two (2) persons were charged and the matter was still pending at the end of 2014.

CRIME INTELLIGENCE UNIT

216. The primary objectives of the Unit are the collection, storage, analysis and disseminating information/intelligence to various units in the Force.

217. The Unit continued to maintain several databases such as criminal gangs, wanted persons, known characters, stolen firearms, stolen vehicles, etc. This information is used to produce Crime Bulletins, Wanted Bulletins, Anti-crime patrols brief, as well as support to criminal investigations by developing suspects.

218. Information and intelligence gathering capabilities were intensified and resulted in the dismantling of several criminal groups, seizure of several illegal firearms, seizure of narcotics and arrest of high profile and wanted suspects. Intelligence-led operation assisted in five (5) members of the kidnapping/robbery/murder group and the arrest of five (5) members for the robbery under arms/carjacking group.

219. During the year 2014, the Unit utilized the Integrated Crime Information Systems (ICIS) to conduct background checks on subjects.

220. The Unit also opened its CCTV monitoring room which provides around-the-clock (24/7) services. The ranks in this room are responsible for recording traffic and crime observations with an objective of supporting prosecutions. The monitoring room facilitates the view of real time footage from one hundred and thirty two (132) cameras located in Central Georgetown, Lower East Coast and Lower East Bank.

INTERPOL/COMPUTER SECTION

221. During the year 2014, International Police Organisation (INTERPOL) through its sub-divisional office, National Crime Bureau (NCB) Georgetown, provided support to the Guyana Police Force as the main link in

sharing information and giving assistance to other police forces in its one hundred and ninety (190) world-wide country membership.

222. For the year 2014, NCB Georgetown received a total of six thousand, three hundred (6,300) messages from the NCB's and Interpol General Secretariat seeking assistance to track down fugitives, stolen vehicles and vessels and information on stolen works of art, background checks on citizens and foreigners and information on terrorism among other security matters. Of this amount two hundred and seventy three (273) were requests made to Interpol Georgetown and three thousand, one hundred and ninety four (3,194) were notices and diffusions.

223. In comparison three thousand, and sixty (3,060) messages were received by NCB Georgetown in 2013 of which two hundred and thirty three (233) request were made to Interpol Georgetown and two thousand, four hundred and fifty seven (2,457) were notices and diffusions.

224. During the year, NCB Georgetown sent five thousand, eight hundred and eighty one (5,881) messages to the General Secretariat and other bureaus. Of these two hundred and sixteen (216) requests were made on behalf of the Guyana Police Force. In comparison, for the year 2013 three thousand, three hundred and fifty one (3,351) messages were sent to the General Secretariat and other bureaus with two hundred and ninety one (291) of them on behalf of the Guyana Police Force.
